

Employment and Practical Placement Opportunity

Work type: Casual
Location: Various Locations across Melbourne
Categories: Disability - Home and Community Care

- Hourly rates starting from \$31.65 per hour, including 25% casual loading
- Shifts close to home with flexible hours to suit your lifestyle
- Excellent benefits but not limited to free ongoing training and professional development and paid km's

ABOUT THE ROLE:

As a Home Care Support Worker (SW) you will provide support to a wide variety of clients, including those from migrant communities, various multicultural backgrounds, aged clients and clients with a disability in their own homes.

These rewarding roles assist clients with services including:

- Home care and domestic assistance
- Personal care
- Assisting with complex care needs
- Meal preparation
- Social support and companionship
- Transport, shopping, and running errands
- In-home respite care

Shift times and lengths vary depending on client requirements.

Hourly rates start from \$31.65 p/h, incl 25% casual loading (dependent on qualifications & experience) plus benefits.

Actual hours worked can be accumulated against total hours required for student practical placement – please refer to your Student Placement Coordinator for further information.

ABOUT YOU:

You will have:

- Experience working in Aged Care or Home Care or Disability sectors (preferable but not essential)
- Current First Aid Certificate (HLTAID003) or willingness to obtain
- NDIS Worker Screening Check on offer of position
- Valid Driver's License and your own vehicle with fully comprehensive insurance (required for transport shifts)
- Preferable but not essential, completed or enrolled - Cert III or IV or higher qualification in the following: Individual Support/Aged Care or Home & Community Care or Ageing Support or Disability

ABOUT US:

Flexi Support have been providing in-home support across Melbourne for over 12 years and our services support a wide variety of clients, Flexi Support is a registered NDIS service provider. Flexi Support provide support services from self-funded clients to Government supported packages throughout the greater Melbourne region. Our services include affordable care package options providing services for Personal Care, Home Care, Respite Care, Community Care and specialist services for individual high care recipient's and individuals with intellectual disabilities.

As an employee of Flexi Support, you will be provided with ongoing professional development and a positive & supportive workplace culture. Join the team making a difference to the lives of older Australians, people with disabilities, families and carers.
