This list comprises courses approved for VSL for Box Hill Institute only. Please refer to the BHI website for actual course offering availability, as offerings may vary per semester and year depending on delivery scope and/or demand.

*Loan cap applies for units with census dates after 1 January 2024

The loan cap is the maximum VSL Loan possible for the full course tuition fees (not just for units studied in 2024).

** Estimated tuition fees for full qualification. Please note that tuition fees are indicative only and can vary depending on individual student circumstances, and study duration. This includes where students may need to repeat units. Fees are based on 2024 fee rates but may increase in future calendar years:

- o **Gov** = Indicative full course tuition fee for students **eligible** for a government-subsidised place
- o **FFS** = Fee-for-service indicative full course tuition fee for students **not** eligible for a government-subsidised place, or where the course is offered on a Fee-for-service basis only.

VSL is for tuition fees only. Non-tuition fees will also be charged for most courses, and include a service and amenity fee and materials fees. These are not coverable by the VET Student Loan.

^^Your obtaining of VSL is subject to Box Hill Institute also obtaining re-approval as a VSL provider with the government for 2024. (BHI's re-approval application is currently in progress with the government). Should this not be successful, you would be required to pay the tuition fees upfront. BHI will notify you should this occur.
