- Enroll and pay remaining fees not being covered by VET Student Loan (VSL). Ensure you supply your citizenship evidence as part of your enrolment.
- Once enrolled, Student Administration will check your eligibility, and record your VET Student Loan intention with the Australian Government.
- You will then receive an email from the government, asking you to complete the eCAF System online. The email will provide a link and pass key to enable you to
 do this. You must complete this as soon as possible and prior to course commencement.
- If it is found you are not eligible for VSL, or have exceeded your VSL Course Cap or Combined HELP Loan limit, you will be invoiced for fee payment.

This list comprises courses approved for VSL for Box Hill Institute only. Please refer to the BHI website for actual course offering availability, as offerings may vary per semester and year depending on delivery scope and/or demand.

*Loan cap applies for units with census dates after 1 January 2024

The loan cap is the maximum VSL Loan possible for the full course tuition fees (not just for units studied in 2024).

** Estimated tuition fees for full qualification. Please note that tuition fees are indicative only and can vary depending on individual student circumstances, and study duration. This includes where students may need to repeat units. Fees are based on 2024 fee rates but may increase in future calendar years:

 Gov = Indicative full course tuition fee for students eligible for a government-subsidised place
 FFS = Fee-for service indicative full course tuition fee for students during the formation of the student during the formation of the student during the formation of the student during the student during the formation of the student during the s

• **FFS** = Fee-for-service indicative full course tuition fee for students **not** eligible for a government-subsidised place, or where the course is offered on a Fee-for-service basis only.

VSL is for tuition fees only. Non-tuition fees will also be charged for most courses, and include a service and amenity fee and materials fees. These are not coverable by the VET Student Loan.
