This list comprises courses approved for VSL for Box Hill Institute only. Please refer to the BHI website for actual course offering availability, as offerings may vary per semester and year depending on delivery scope and/or demand.

\*Loan cap applies for units with census dates after 1 January 2025

The loan cap is the maximum VSL Loan possible for the full course tuition fees (not just for units studied in 2025).

\*\* Estimated tuition fees for full qualification. Please note that tuition fees are indicative only and can vary depending on individual student circumstances, and study duration. This includes where students may need to repeat units. Fees are based on 2025 fee rates but may increase in future calendar years:
 Gov = Indicative full course tuition fee for students eligible for a government-subsidised place

• **FFS** = Fee-for-service indicative full course tuition fee for students **not** eligible for a government-subsidised place, or where the course is offered on a Fee-for-service basis only.

VSL is for tuition fees only. Non-tuition fees will also be charged for most courses, and include a service and amenity fee and materials fees. These are not coverable by the VET Student Loan.
